Consultancy & Research

Technical Advisor, Political Economy Analysis of the Philippine mining sector, The Asia Foundation, March 2025 to present.

Provide technical guidance in preparing a policy briefing paper identifying political economy challenges and potential reforms in the Philippine mining sector.

Consultant, ASEAN's Writeshop and Publication on Non-Financial Incentives for Sustainable Minerals Development in the ASEAN Region August 2025 to March 2026.

Provided technical and policy expertise on non-financial incentives for sustainable minerals development in ASEAN, drawing on regional and international practices. Designed and facilitated technical workshops and policy discussions with ASEAN Member States, and guided discussions of incentive frameworks and policy options. Led the preparation of workshop reports and a regional publication

consolidating country experiences, recommendations, and strategies for sustainable minerals development.

Policy Specialist, Supporting EITI Philippines on beneficial ownership transparency through Opening Extractives, July to December 2024.

Assessed the status of beneficial ownership transparency in the Philippines and identified policy and institutional reforms to strengthen transparency in the extractive sector.

Policy Specialist, UNDP Strengthening Institutions and Empowering Localities Against Disasters and Climate Change (SHIELD) Programme Research Agenda. October 2024-January 2025.

Provided technical guidance and recommendations for the UNDP policy research agenda, reviewed knowledge products for technical quality, and engaged key stakeholders as a technical expert.

Policy Development lab Lead, Coalescing Organizations Towards Locally Led Actions to Boost Development (COLLABDev). Action for Economic Reforms and USAID. Jan 2021 to Aug 2022.

Led data-driven policy research, reform proposals, and program evaluations focused on participatory local development, working with local government units, local research organizations, and civil society organizations. Oversaw the preparation of policy proposals, research papers, and advocacy materials on local and national priorities. Co-designed and delivered capacity-building programs to strengthen policy development and implementation.

Natural Resource-Based Economy and Non-Tax Revenue Policy Expert. Asian Development Bank (ADB) Support to Local Government Accountability Systems: Support on the Formulation of Resource Mobilization Framework of the Bangsamoro Government. May 25 2022 to August, 2022.

Provided technical assistance in developing a resource mobilization framework for the Bangsamoro Government, focusing on natural resource-based economic activities and non-tax revenues.

Policy Note Writer and Public Financial Management Consultant, Pintig Lab: Strengthening Covid Response and Recovery for AAA Governance. United Nations Development Program (UNDP) October 18, 2021 to Aug 2022.

Analyzed the political economy of local governance, including the formal and informal institutions shaping local decisions on crisis preparedness, response, recovery, and resilience.

Consultant, Rapid Survey and Assessment on the Impacts of COVID-19 Pandemic and Community Quarantine to Social Enterprises in the Philippines, Phildev, Australian AID and UNDP Project, June 2020- March 2021.

Conducted a study assessing the effects of the COVID-19 pandemic and community quarantine measures on social enterprises in the Philippines.

Consultant, Market Competition and Regulation Specialist (health sector), USAID-UPPAF RESPOND Project, 2020-2022.

Provided technical support and prepared a report for the Philippine Competition Commission identifying competition concerns in the Philippine pharmaceutical sector and potential policy and regulatory responses.

Consultant, Political Economy Analyst, Philippines: Civil Service Modernization and Human Resources Management Project, World Bank, October 2019- February 2020

Conducted a political economy analysis of civil service modernization in the Philippines, examining institutional and governance factors relevant to reform.

Consultant, Market Competition and Regulation Specialist (health sector), USAID-UPPAF RESPOND Project, September 1-30, 2019.

Compared medicine prices in the Philippines with those in neighboring countries and identified strategies to reduce medicine prices domestically.

Consultant, Political Economy of Minimum Wage, National Wage Productivity Commission, July-September 2019

Collaborated with a research team to analyze the political economy of minimum wage setting in the Philippines.

Mining Tax Specialist, Facilitating Public Investment (FPI) Project, USAID (June – October 2018)

Prepared a technical report for the Department of Finance evaluating tax policy options for the Philippine mining sector.

Economic Analyst and Project Leader, Natural Resource Governance Institute (August 2018- March 2019)

Prepared a report assessing the environmental and social impacts of the extractive sector.

Socio-Economic Analyst Resources, Environment, and Economics Center for Studies, Inc. (REECS) and NEDA Caraga Region Consultancy on Potential Investment Alternatives to Mining (May – November 2018)

Prepared a report examining potential investment alternatives to mining in the Caraga Region.

Economic Analyst, Resources, Environment, and Economics Center for Studies, Inc. (REECS) and UNDP-DILG (December 2017- June 2018)

Prepared a technical report on local green investment opportunities in the Philippines.

Economic Consultant on mining regulation, , Philippine Wealth Accounting and Valuation of Ecosystem Services (Phil-WAVES) Project: World Bank (April 2016 – June 2017)

Prepared a report examining mining regulation, wealth accounting, and valuation of the minerals sector.

Researcher, Resource Governance Index 2016, Natural Resource Governance Institute (October- December 2016)

Evaluated governance of the Philippine mining sector using the Resource Governance Index methodology.

Consultant, Open Contracting Partnership (April-May 2016)

Prepared a case study examining contracting processes in the mining sector.

Consultant on small scale mining regulation, Natural Resource and Governance Institute (January-June 2016)

Provided technical support for the formulation of Myanmar's mining rules relating to artisanal mining.

Consultant on public health financing, Global Fund ATM, Asia Pacific Network of People Living with HIV and AIDS (APN+) (February 2016)

Prepared a country mapping report on financing for HIV-related support.

Resource Person on extractives industry policy, Capacity Development for the Judiciary and Justice Sector Agencies, Asian Development Bank (2015)

Wrote and presented a comparative paper on mining taxation.

Senior Local Government Specialist/ Consultant, World Bank Philippines (2013)

Provided technical assistance to the Department of Budget and Management in developing enhancements to its grassroots participatory budgeting program.

Consultant on technical education policy, Technical Education and Skills Development Authority (2011-2012)

Advised the Secretary of TESDA on the agency's programs and policies.

Consultant on pharmaceutical regulation, United Laboratories Inc. (August-November 2011)

Conducted a comparative study of pharmaceutical marketing, pricing regulation, and distribution policies in Thailand, Vietnam, Mexico, Canada, the United States, and Australia. Reviewed proposed Philippine legislation affecting the pharmaceutical industry.

Consultant on Local public finance, Social Watch Philippines (2011) (through UNDP and British Embassy)

Co-developed the Sourcebook on Local Public Finance with a team of researchers; the publication was used to build stakeholder capacity in six local government units.

Consultant and Team Leader, The Asia Foundation project on Community Driven Development in Conflict Affected Areas (January 2011- June 2011)

Led assessments of the World Bank's Mindanao Trust Fund and KALAHI-CIDSS programs. Guided the team in developing the analytical framework and research tools, conducting policy and trend analysis, coordinating with donors and government agencies, and consolidating and presenting findings in a final report.

Research Fellow, Affiliated Network for Social Accountability (ANSA) – Global, Institute for Governance Studies, BRAC University, Dhaka, Bangladesh (November 2009-September 2010)

Examined six social accountability initiatives across the Philippines, India, Brazil, Mongolia, and Azerbaijan. Analyzed how initiatives emerged, the factors shaping individual participation, interactions among government institutions and stakeholders, and the implications of participation for social outcomes.

Senior Policy Analyst (2007) Work Flexibility 2010 Project, Northeastern University, Boston, MA, USA.

Provided research and technical assistance to a national campaign seeking to develop a comprehensive policy on workplace flexibility.

Research Consultant on revenue administration (2004) Revenue Integrity Protection Service (RIPS), Department of Finance, Republic of the Philippines.

Conducted research and provided technical assistance on the operations of the Revenue Integrity Protection Service (RIPS) and the design of anti-corruption measures.

Research Consultant (2004) Office of Corporate Governance, Philippine Long Distance Telephone Company, Makati, Philippines.

Provided research and technical assistance to the company's Senior Vice President in developing a framework and action plan for PLDT's corporate social responsibility program.

Research Associate (2003-2004) Ateneo Center for Research and Development, Department of Economics, Ateneo de Manila University.

Prepared a comprehensive paper assessing the state of local economic development in the Philippines.

Consultant/Research Analyst on revenue administration (2002-2003), AGILE- Development Alternatives Inc., USAID.

Provided technical support in developing policy recommendations for tax administration reform.

Research Associate-Writer on rice trade liberalization and food security in selected Asian countries (2002), Action for Economic Reforms (AER), Quezon City, Philippines

Reviewed research and prepared a paper on rice trade liberalization and food security in selected Asian countries.

Legislative Staff (2001-2002) Office of Representative Del de Guzman, House of Representatives, Republic of the Philippines.

Researched and drafted bills, resolutions, press releases, speeches, and memoranda on economic affairs, trade and industry, women's issues, the environment, electoral reform, and local governance.

Political Advocacy Specialist on tax policy and administration (2001-2002), Foundation for Economic Freedom (FEF), Quezon City, Philippines.

Provided research and technical assistance in developing an advocacy strategy for tax administration reform at the Bureau of Internal Revenue.

Consultant on local governments (2000)**,** Philippine Business for Social Progress GOLD Project

Coordinated with local government leagues, particularly the National Movement of Young Legislators, on advocacy for local government autonomy and capacity building under the USAID Governance and Local Democracy Project.
